SUBJECT: Fringe Benefit Rates Applied to Sponsored Projects FY 2018-2019

Pursuant to our negotiation with DHHS and in accordance with the requirements stipulated in Title 2 in the Code of Federal Regulation, Part 220 (formerly, Office of Management and Budget Circular A-21, "Cost Principles for Educational Institutions"), the new rates will be effective from July 1st, 2018 through June 30th, 2019.

The rates are:

- Regular Employees-49%
- Intermittent Wage Employees- 8.2% (Adjunct faculty, post-doctoral researchers and graduate students do not fall into this classification)

The rates must apply to both new and existing projects and must also be applied to requests for supplemental funding to existing awards and to all expired fixed price agreements. On July 1, of each fiscal year, you may expect a change in the rates applicable to sponsored programs.
