A Bill

This is a bill to allocate \$2050.00 from the Senate Operating Account to assist the Graduate Student Chemistry Society in hosting the Party in Pink Zumbathon which will be hosted on October 27th, 10:00 AM-12:00 PM, in the University of New Orleans' Recreation and Fitness Center.

Whereas, the Graduate Student Chemistry Society is registered with the Office of Student Involvement and Leadership;

Whereas, the Party In Pink Zumbathon is necessary to the UNO community because it is a de-stressor, community-involved, fundraising event that will foster a stronger sense of cancer awareness within the UNO community, and provide for the inclusion of students, faculty, staff, and the surrounding community in an event geared towards promoting healthy lifestyles and wellness;

Whereas, the Party In Pink will bring about great publicity to our campus. This event has pulled a large amount participates and donations from all over the ARK-LA-TEX-MISS region with 200+ attendees being the largest crowd thanks to SGA funding;

Whereas, the Party In Pink supports 'The Zumba Global Research Grant for Breast Cancer Prevention', which allocates money to scientific research project(s) whose goal(s) is/are to assist in or completely diminish cancer, that could potentially create a greater influx of STEM research opportunities for the University of New Orleans and its students.

Whereas, University of New Orleans Student Body and the general public are invited to attend.
