CONFERRAL OF DEGREES

READING OF THE GRADUATES

VIRTUAL SECOND LINE

LETTER FROM THE PRESIDENT

Dear Graduates,

This is a truly momentous occasion, and I am confident that you will remember this milestone for the rest of your life. It is my honor to participate in the celebration of your success. Of course, none of us could have envisioned that you would be completing your degree under these circumstances. The fact that you have managed to succeed during the time of a global pandemic shows your determination. That signals to me that you are unstoppable. In spite of these hardships, I hope that you will cherish your time spent at the University of New Orleans and the deep connection that you have forged with your alma mater. That bond is now stronger than ever. Please know that we, the entire University of New Orleans community, are immensely proud of your accomplishments. Each degree earned represents years of determination by a graduate who persisted, regardless of academic challenges, financial obstacles, work obligations or family responsibilities. Much like the city of New Orleans, our students just won't quit.

Fortunately, your relationship with the University does not end today. We are here to support our alumni in any way possible, and I hope that you will continue to engage with us. While you may feel as though you have concluded your education, the truth is we are never finished learning. A lifelong pursuit of knowledge is endlessly fascinating and fulfilling. If we can be part of your future educational pursuits, whether it be a second degree or graduate education, please let us know.

My aspiration is for you to achieve success—however you define it, to find your passion in your life and in your career, and for you to do what you can to make our world a better place. The journey you have shared with others at the University of New Orleans is the foundation for the next phase of your life. You have now earned a degree that can take you as far as you are willing to go. I offer you my heartfelt congratulations.

Dr. John Nicklow, *President*
The University of New Orleans

UNIVERSITY OF NEW ORLEANS MISSION STATEMENT

The University of New Orleans is a comprehensive urban research university committed to providing educational excellence to a diverse undergraduate and graduate student body. The University is one of the region's foremost public resources, offering a variety

of world-class, research-based programs, advancing shared knowledge and adding to the region's industry, culture and economy. The University of New Orleans, as a global community asset, serves national and international students and enhances the quality of

life in New Orleans, the state, the nation, and the world, by participating in a broad array of research, service learning, cultural and academic activities.

ALUMNI ADDRESS SHEBA TURK

Sheba Turk, who earned a bachelor's degree from the University of New Orleans in 2011, is a co-anchor of WWL-TV's Eyewitness Morning News. She is a native of the 7th Ward and a graduate of St. Mary's Dominican High School. Shortly after completing her degree at UNO, she was hired as an associate producer at WWL-TV, where she has been employed ever since. Turk worked her way up to traffic reporter, and then morning show reporter, before becoming host of the entertainment show "The 504." The show concluded its 5-year run in 2018 so that she could take on a new role as

a morning show anchor. Turk is the author of the book "Off Air: My Journey to the Anchor Desk." The inspirational story lets readers in on how she worked her way from behind-the-scenes to the anchor desk in the span of about two years, pushing through financial challenges and self-doubt. Turk is a former scholar with Soledad O'Brien's PowHerful Foundation, and she serves as a mentor in the organization. She is passionate about helping other people, especially young women, reach their potential.

ACADEMIC HONORS

The University of New Orleans recognizes undergraduate students who attain academic honors in three ways. A student may pursue the normal curriculum of a subject area and obtain honors by virtue of high grades. There are three designations in this category: summa cum laude (with the highest praise), requiring an overall grade-point average of 3.900-4.000; magna cum laude (with great praise), requiring an overall grade-point average of 3.700-3.899; and cum laude (with praise), requiring an average of 3.500-3.699.

A student may also graduate with University High Honors, which carries with it Honors in _____ (the particular field). This achievement requires the student to earn 18 credit hours of honors electives, maintain a grade-point average of at least 3.50 in the chosen subject area, with at least a 3.25 in all work taken, and complete a senior honors thesis.

Or a student may also graduate with University Honors, which carries with it Honors in _____ (the particular field). This achievement requires the student to earn 18 credit hours of honors electives,

maintain a grade-point average of at least 3.5 in the chosen subject area, with at least a 3.25 in all work taken, and complete a senior research or creative project in the junior or senior year.

Or a student may also graduate with University Honors without honors in a particular field (or without departmental honors) by fulfilling the above requirements except for the research or creative project.

We are pleased to recognize the following students as honors graduates at this commencement:

ALUMNI

The University of New Orleans Alumni Association provides fun and meaningful opportunities for graduates to stay connected to and engaged with UNO. With support from UNO's Office of Alumni Affairs, the Association promotes the success of UNO students, helps with recruiting efforts and builds awareness of UNO's importance to our community and region. In addition to discounts on insurance products, car rentals, UNO bookstore purchases and more, the

benefits of membership also include chances for professional networking and leadership development.

Visit alumni.uno.edu to sign up for a free membership!

THE UNIVERSITY *of*
NEW ORLEANS

The list of candidates for graduation was prepared before final grades were reported; thus, the listing of a name in this program should not be construed as documentation that the person listed will, in fact, receive a degree from the University of New Orleans. Conversely, some students who are not listed may be awarded degrees.

The same applies to the listing of students graduating with honors.
