

Founders Club Membership Application

The Founders Club works to strengthen and support the University, its academic enterprise, and its position in the greater New Orleans community. It also advocates for retired University faculty and staff and supports the efforts of The University of New Orleans International Alumni Association on behalf of alumni. The Founders Club initially was established to remember Founders Day, September 8, 1958, the first Convocation of then Louisiana State University in New Orleans, and it remembers that date with a luncheon after Labor Day each year.
