HEALTH and MENTAL HEALTH

Cornerstone
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Biological Technologies Office (BTO)

Notice seeking proposals to develop an Integrated Countermeasure (i.e., countermeasure and delivery

system) that, when administered prophylactically, protects against behavioral and cognitive injury in the context of blast- or impact-induced TBI. Integrated Countermeasures would do this by preventing the initiation of harmful signaling cascades through spatially and temporally relevant countermeasure delivery.

Abstracts are due June 30, 2022. Proposals are due August 18, 2022. Multiple awards are anticipated.

Foundations of Trusted Systems
Department of Defense (Defense), Air Force Research Laboratory (AFRL)

Notice seeking white papers for innovative research in technologies and techniques to establish trusted foundations for hardware and software that enabling secure, resilient and affordable Command, Control, Communications, Computer, Intelligence, and Cyber (C4+1I) information processing systems.

Required white papers are due December 2, 2022 to the contact below. Approximately \$20.25 million is available to fund multiple awards.

LINKS: [Contract Opportunities](#)

Funding Opportunity Announcement (FOA) Energysshed: Exploring Place-Based Generation
Department of Energy (Energy), Office of Energy Efficiency and Renewable Energy (EERE)

Notice seeking applications to develop the tools and processes to help a broad set of stakeholders including utilities, local governments, and community-based organizations; understand the implications and participate in the development of locally-based energy generation in their community.

Applications are due August 1, 2022. Approximately \$5 million is available to fund two to five awards. Cost sharing is required.

LINKS: [Grants.gov](#), [Solicitation](#)

Research Experiences for Undergraduates
National Science Foundation (NSF)

Notice seeking proposals to support active research participation by undergraduate students in any of the areas of research funded by the National Science Foundation. This solicitation features two mechanisms for support of student research: (1) REU Sites and (2) REU Supplements.

Proposals are due September 6, 2022. Approximately \$84.14 million is available to fund up 1850 awards.

LINKS: [Grants.gov](#), [Solicitation](#)

Urban, Indoor, and Emerging Agriculture
National Institute of Food and Agriculture (NIFA), United States Department of Agriculture (USDA)

Notice seeking proposals for research, education, and extension work to solve key problems of local, regional, and national importance that facilitate development of urban, indoor, and emerging agricultural systems.

Required Letters of intent are due July 11, 2022. An estimated ten awards of up to \$1 million are anticipated.
