With 23 or 23 senators present, we meet quorum.

Senator Sattar 03:58

Hi. So I actually miss the attendance. Naw Safrin Sattar.

VPLA Goldstein 04:03

You've been- Brendan motioned to recognize you. You've been recognized

Senator Sattar 04:09

Thank you.

VPLA Goldstein 04:10

Okay, are there any corrections or changes to today's agenda? I'm just going to go ahead- if you look at the paper, those of you who are online, you can't see this but On Campus Dining and Housing will not have a committee report. It's been replaced by Athletics if they have a report. If there are no objections to the agenda, it is approved. Are there any senator communications or announcements? Are there any non senator communications or announcements? Does the Pro Tempore have a report?

Pro Tempore Mott 05:08

Hello, everyone, this is Brendan Mott, Pro Tempore. My report is kind of short, but it's about the IDS Bill. The Governance Committee unfortunately voted that the bill needed some revisions before it could hit the Senate floor and I yield the rest of my time for questions.

**S** Senator Smith 05:26

Okay. Da' Yanah Smith, School of IDS, so I did send the revision copy and to the VPLA.

**P** Pro Tempore Mott 05:35

Okay. We have not had a chance to look at that yet, since it just came out. But we're going to look at it at our meeting this week. And if it fits what the committee thinks we'll push it through, and then it'll be up to Katie to put it on the agenda.

**S** Senator Smith 05:49

Okay.

**V** VPLA Goldstein 05:51

Any other questions for Brendan? Do any other committees have a report?

**P** Parliamentarian Hinnawi 06:11

I'm Azizah and I'm head of the Rules Committee, I just wanted to get up and say thank you to the rest of the committee for responding pretty quickly, with all the revisions on the proposed bill. I will say that anyone else in the committee who didn't respond, please check your emails, because it's kind of important that we all get in there and see if there's any corrections that need to be made before that bill is brought up to the Senate. And we did get the revised bill, so just be on the lookout for me sending it out again, so we can make sure it follows all the rules. And I yield the rest of my time for questions.

**V** VPLA Goldstein 06:49

Anybody have any questions for Azizah? Do any other committees have a report?

**S** Senator LeBeau 07:13

Hi, I'm Twanna. I'm the Finance Committee Head. I want to say thank you for everyone in Finance Committee for replying back. In the meeting that we're having Friday, we will review the bill and everything else that we need to review. So just wanted to let you guys know, please

be on time for that. So we can discuss it and get everything that we need to get going out because I have class at 1:00pm. That's it. I yield the rest of my time for questions. Anybody have any questions for Twanna?

A Advisor Courseault 07:50  
\*inaudible\*

S Senator Fornatoro 07:52  
So as I'm sure most of you are aware, we started an ad hoc committee on athletics. So if anyone is interested, please reach out. Jordan and I will be-

C Clerk of Senate Corcoran 08:19  
Please state your name for the record.

S Senator Fornatoro 08:21  
Brett Fornatoro, College of Liberal Arts. Jordan and I will be attending meetings regarding getting students who live on campus involved at sporting events. So if that sounds interesting to you then feel free to reach out and join the committee. Jordan would you like to say anything?

S Senator Moss 08:45  
No. I'm okay. Thank you.

S Senator Fornatoro 08:46  
I yield the rest of my time for questions.

V VPLA Goldstein 08:50  
Anybody have any questions for Brett? Does the President have a report?

V Vice President Charles 09:16  
How y'all doing? Vice President Angelo Charles here. I'll begin with the President's Report. So Amber would like to thank you all for showing up today. And being here she appreciates y'all and hopes that y'all had a safe and happy Mardi Gras, and that she looks forward to moving

this campus forward within the next semester. That concludes the President's Report. Do y'all have any questions for Amber? I'll go on to my report. Vice President Angelo Charles here. Alright, so to begin, the budget request began on Monday, February 21. It will end March 31 on Thursday. So if you know any organizations, this is the time that they need to be filling out the budget request. We will be actively resending out those emails. Unfortunately we only have one respondent, which is not good. So we just really need to work on our engagement on the budget request. If you guys have any thoughts on how we can get these organizations involved to fill out the form so they can get money for next year please let me know. The current Senate Operating Budget has the same number as all the meetings since October: 19,804.31. That means we have not passed a bill yet so hopefully, if you guys find it fit to pass Senator Da'Yanah's bill, that number- put the use finally. SAC, I would like to shout out SAC. I know Maggie's not here, but some of you who went to the event. Karaoke Night, it was a very successful event. We do fund SAC events so it was great to see some of you guys's faces there. It was a nice event students were engaged and it showed a different perspective of the campus which is showing that we are growing, people are looking for engagement so we really appreciate SAC for you know putting our money where it needs to go. That is it for me.

V

VPLA Goldstein 11:16

Anybody have any questions for the Vice President?

S

Senator LeBeau 11:26

Twanna LeBeau, College of Liberal Arts, I have a question: can I make a statement?

V

Vice President Charles 11:37

You have to ask a question.

P

Pro Tempore Mott 11:41

Point of information, Brendan Mott, Pro Tempore, you can say point of information if you would like to give information.

S

Senator Fornatoro 11:47

Point of information, with the events on campus its not really about engagement, it's more about what the students are interested in we can we can do. So it's more about interest. So a lot of students are interested in kareoke. So maybe we can go around, not go around but survey the students and see what they like.

V

Vice President Charles 12:26

I agree.

V

**VPLA Goldstein 12:30**

Any other questions for our Vice President? Ok, moving on, my report is pretty short. So hope everybody had a good spring break and Mardi Gras and that everybody's ready for their midterms. The Constitutional Committee that we formed last meeting before break; anybody that's interested in being part of revising the Constitution, there is a signup sheet that is handwritten up here. Just at the end of the meeting, if you could just sign your name and your email, if you're interested. And again, the more people on the committee, the sooner we can get it revised. Other than that, for the upcoming elections, all Senate seats are open. So I just wanted to let you guys be aware that everybody's going to have to run again. Shouldn't be a huge deal, since most of the colleges are not- don't have all their seats filled, but just be aware that you will have to run. Also, and if you are interested in running for any of the executive positions, including VPLA, and you want some more information, or just want to discuss what the responsibilities are of the position, please reach out to me during my business hours or via email. That concludes my report. I yield the rest of my time for questions.

P

**Pro Tempore Mott 14:12**

Brendan Mott, Pro Tempore, point of information, just to let everyone know, it turns out we did find a constitution that was being worked on in 2019, which doesn't have as many issues as the 2016 one that we've seen so many times. So it's potential that we may have less work than we originally thought for the constitution.

V

**VPLA Goldstein 14:35**

Any other questions? Maggie is not here, so I will give the report the Vice President of Programming. Just two quick things. First of all, for UNO's Next Top Model they're looking for students with a sensational sense of style and a bit of dramatics to walk in UNO's fashion show competition. Auditions will be held on March 15, from 4 to 6pm in UC 208 here and you can use the link in the Instagram bio to sign up for auditions. The second thing is that SAC is hosting their annual Women's Retreat on March 18, from 5 to 7pm and March 19, from 10am to 2pm. This event is made to encourage, promote and thank all the amazing women who make up UNO's community. It features a weekend of inspiring speeches, networking opportunities, and some fun activities. For information about tickets, please email [sac@uno.edu](mailto:sac@uno.edu). I yield the rest of my time for questions. Tiffany?

A

**Advisor Courseault 16:04**

Hi, Advisor Tiffany, I have a couple of updates. The first update is for ULS Day for April 5. I got an email that was a little bit different than what I was told. But nonetheless, this is where we are. After Administration had meetings with the other people that were organizing the ULS Day, they have deduced it down to only 2 people, 2 representatives from SGA, in addition to the Pom Team and Bruno. So with that being said, if two people, either I'll get to the execs first, but if two people would like to go, just let me know, transportation will still be provided, as well as lunch. It's out of my hands or control. So just wanted to update you on that. Also, like Katie

mentioned, elections are open- well, the election process is open. I'm in the process of constructing an email to send to all the current senators to let y'all know that if you are interested in returning for the fall, you do need to fill out your notice of candidacy. Like Katie said, we do have a lot of open seats. So I don't think it'll be a problem with anybody not being able to return to your current position, unless you are doing an at-large position. So definitely, when I do send out the link, please complete the form, you also have to complete an initial expenditure form. But everything that I sent you in the email will tell you about campaigning and all these different things. However, if you are interested in doing an exec position, the only two positions that will be on the ballot is SGA President and Vice President of SGA. As you know, in order for you to be the President of Senate, ie. the VPLA you must be a senator. And we will do those elections towards the end of the semester for the new year. To be the president of SAC, that is a position that is appointed by the incoming President of SGA. So again, the only two positions, exec positions that will be up for vote is the President of SGA and the Vice President. And of course, the senator positions, and I yield the rest of my time for questions.

**P** Pro Tempore Mott 18:27

Brendan Mott, Pro Tempore, so when you say ULS Day is only bringing two people from SGA, does that mean those are the only people who transportation is provided to or we're not allowed to go if we're not one of those people?

**A** Advisor Courseault 18:40

That is a really good question. I know that I was told that transportation will be provided for two people. So if you wanted to go on your own accord, I can find out more information about that. Because I really do think that this is a really great opportunity to see legislation work. And so I'm not really happy about it, but I will double check to see if people can go on their own accord.

**P** Pro Tempore Mott 19:01

And then to further that question, was that a UNO decision or a ULS decision?

**A** Advisor Courseault 19:05

I want to say it was a ULS decision.

**S** Senator Mott 19:07

Okay.

**A** Advisor Courseault 19:08

Because Dr. Golz met with some people in the Alumni Center, and so they have their own meeting. And so I just think that they just decided- I don't know if it was because of COVID, I don't know whatever the case may be, but that's just what I've seen.

**S** Senator Fornatoro 19:21

Twanna Lebeau, College of Liberal Arts, the question is- I know Amber is going so she can represent SGA and Pom Squad, but would it be like 2 people from SGA?

**A** Advisor Courseault 19:47

I do believe that she will represent the Pom squad and I don't think she knew the Pom squad was going. This decision literally just happened this week, like yesterday. So I think that is a case that she could represent pom and she chooses it and I can get two more people. Because she's right.

**V** Vice President Charles 20:10

So the Pom Team is going to represent the government? I'm just saying...

**A** Advisor Courseault 20:17

Yes, I believe so.

**P** Pro Tempore Mott 20:21

Brendan Mott, Pro Tempore, that actually, something that I wanted to say that if it gets a certain amount of people then what made UNO decide that the Pom Team is the most acceptable for the people to send to a government event rather than SGA?

**A** Advisor Courseault 20:38

I'm not dismissing your question, Brendan, I really understand your frustration. I feel like once we get to open forum, if there's a strong amount of people that would like to go, maybe I could say, hey, well we senators really would like to go that we can talk about that. But I do understand your frustration. Yes, Azizah?

**S** Senator Metzler 20:55

Azizah Hinnawi, College of Sciences, to answer Brendan's question, I've been to ULS Day quite a couple times. And typically everyone mostly brings their cheer teams and their athletic teams, or a band. It's really not usually SGA students. It's all about school pride and all that

stuff. So I've seen schools only come with their cheer team before. I don't think that's like crazy decision. I think they're just doing what they see.

**A** Advisor Courseault 21:24

Thank you so much for chiming in on that Azizah. When is your next administration meeting? I think, because April 5th, is literally less than a month away. I think you all need to talk to administration and tell them like, it's like everyone in here said because I know we've been pushing down your throat like hey, April 5, April 5, April 5, I definitely think that it is worth something for the Exec Board to bring up to administration to show them that the students really are interested in it.

**V** VPLA Goldstein 22:15

Any other questions for Tiffany? Okay, so we will now hear nominations and appointments. Will Mary Jackson please come forward for nomination for Senator for the College of Business Administration? I know she said she was gonna be on Zoom. So she's not here.

**S** Senator Martinez 22:55

Brendan Mott, Pro Tempore, motion to table as this person is not present.

**V** VPLA Goldstein 23:05

Okay, so we will now move to open forum.

**P** Pro Tempore Mott 23:10

Point of order, Brendan Mott, Pro Tempore, this does have to be voted on by roll call vote. Now, when I call your name, please vote yes no or abstain for tabling the nomination of Mary Jackson for Senator at the College of Business Administration. Dwayne Crenshaw.

With 15 yeses, 8 abstentions, and 0 nos, we will table the nomination of Mary Jackson for Senator for the College of Business Administration. So we will now move to Open Forum, this is where we discuss matters pertaining to betterment of SGA. We have 12 minutes.

S Senator Hymel 25:52  
Jenna Hymel, College of Liberal Arts, before the Governance Committee meeting last week, me and Brendan were talking about kind of doing a crash course in how to be a senator for new senators and appointees? Just to give them a little information on how the Senate works. A lot of us come in here with no clue of what we're doing.

V VPLA Goldstein 26:37  
I mean, I don't know about y'all, but I know that I attended- there was a retreat where they- there was a slideshow and stuff. And everybody-that's part of the reason it's required that everybody attends a retreat.

P Pro Tempore Mott 26:53  
Point of information, Brendan Mott, Pro Tempore, I did find out more, after we talked about that, that the retreat is constitutionally supposed to take place within 14 days at the start of the semester. But that's not happened in I don't know how long. So that's something to talk about as well. But then at the same time, what about senators who come and get appointed later, that's another issue.

V Vice President Charles 27:21  
Well, the retreat is happening, it will not be at least right now will not be centered around- it's more of a team building exercise. It will be the used for team building, not necessarily for

more of a team building exercise, it will be the used for team building, not necessarily for training. The VPLA did provide that. I will not be providing that option for turning on this retreat. If you really want it, I will do so. But I think required of the retreat.

S

Senator Metzler 27:57

couldnt get to go to that retreat, where we talk about everything. The SGA rules and procedures is available online, outlines exactly how things should go, and exactly how you should kind of behave in these meetings. Often these meetings should address yourself. So those are available.

V

VPLA Goldstein 28:21

And it's been the link that I sent in the email today. Also, really quickly, so I just saw that Chloe, put a question in the chat.

P

Pro Tempore Mott 28:34

So point of information to Chloe, random person. Laboratories is actually a student leadership retreat done by Sal. But it's different from SGA retreat. One that we talked about this three days long.

V

VPLA Goldstein 28:45

Yeah, this so the retreat for the senators that Angelo is planning is one day, Chloe . It's not three days long, just sol hope that answers your question.

S

Senator Metzler 28:59

It's not really how to actually go about it. It was what is volatile. How to write a bill, something like that.

V

VPLA Goldstein 29:12

Okay, so all that information is also on the government website, but I know put to the previous video, like, put together some documents that were like, sort of like a cheat sheet to Robert's Rules and a few other useful documents, and also see if I can get the PowerPoint, cuz I thought the PowerPoint is pretty useful. And I'll send it out to all you guys. And I guess, going forward. Anybody that's appointed in the middle of the semester, give them documentations .

S

Senator LeBeau 29:48

Senior at Large. Would it be useful to do something like that? Because everybody isn't free some days of the week in so is there something we can do so we don't get a recession?

some days of the week, in so is there something we can do so we don't get a recession?

V VPLA Goldstein 30:00

Yeah. I mean, I'm not, I feel like I don't want it. I don't want people who, like already do know, the rules and procedures like heart random. But, but yes, and I mean, really I think that's good join the Senate, you should probably be familiar with the stuff already, which is maybe something we can address anytime we have new senators, but I do think there should be an onboarding process where we give them them that documentation. Brendan?

P Pro Tempore Mott 30:40

Brendan Mott Pro Tempore. So my first thing is on something Jen and I were talking about is that could it be possible and he and I don't want to delegate anybody to the artwork, but would it be possible to make an online interactive course or something like that? That would be massive to me, and can be difficult to make but is that a possibility?

V VPLA Goldstein 31:02

Sure, sure, like I mean, I'm sure it's a possibility. Maybe we can do like you know, Microsoft form where they like you know, there's some multiple choice questions and they have to respond to the stuff Yeah, I mean, that's not a bad idea honestly.

S Senator Smith 31:23

I know when I was a freshman, they had these panflits with all of the rules and things.

V VPLA Goldstein 31:34

Tiffany has like this on that .

S Senator Mott 31:43

So Brendan Mott, Pro Tempore. So my question for you all to know that we're jumping around but, what should we do if that was a UNO decision and not a UL decision?

A Advisor Courseault 31:55

I would like to have a senator at the exec meeting, \*inaudible\* but from the email, practical \*inaudible\* because we have have really just seen \*inaudible\* and that's a lot thats a lot to ask. But once I get more information \*inaudible\* did not \*inaudible\*

- S** Senator Duong 32:32  
You to take two teams at once just once, why the pom team?
- A** Advisor Courseault 32:39  
The pom team acrew \*inaudible\*
- V** Vice President Charles 32:46  
I just I don't, and you said they stated COVID?
- V** VPLA Goldstein 32:49  
No. Brendan?
- P** Pro Tempore Mott 32:59  
Nevermind
- V** VPLA Goldstein 33:00  
Can somebody tell me if there was a new chat?
- P** Pro Tempore Mott 33:03  
It was just okay, thanks.
- V** VPLA Goldstein 33:08  
Anyone have anything they want to talk about?
- V** Vice President Charles 33:17  
Vice President Charles here, I feel like its a great enough issue for us to go to administration have you guys have any thoughts? I would like to share. I have my own but...
- V** VPLA Goldstein 33:29  
Yeah, cuz I mean that would be really lame if we made a big deal out of it and then like no one should go. So like, can we safely say that more than two people who want to attend? Can we

take a vote? or a show of hands? So really quickly, if everybody were able to attend to LSA can you just if you were actually to like actually attend not just in theory be interested but like actually would attend. Please raise your hand and if you're in soon just people hands up thing or say me in the chat. Okay Six? I counted six. Alright, so I mean it's not even it would be a huge. Okay. This would not count as your retreat attendance stuff.

A Advisor Courseault 34:38

I'm sorry, if seven people want to go that you know, certainly far more people would do, but like Kate said, yeah.

P Pro Tempore Mott 34:58

Brendan Mott, one more question for you Tiffany. If you find out about transportation issues if it is good \*inaudible\* because it sounds like it could be just there's only one bus that'd be part of it.

S Senator Martinez 35:18

I did have a question Oscar Martinez, senator at large. Do we know why the potential Senator did not show up too soon?

V VPLA Goldstein 35:30
