# Definition: Sexual Harassment

Conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the University conditioning the provision of an aid, benefit, or service of the University on an individual's participation in unwelcome conduct of a sexual nature, whether verbal or physical;
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's education program or activity; or
- (3) "Sexual assault" as defined in 20 U.S.C.1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30). Sexual harassment also includes sexual assault, dating violence, domestic violence, and stalking. For purposes of this Policy, the various forms of prohibited Sexual Harassment are sometimes referred to as "Sexual Misconduct."

# Scope of Policy

- Schools must respond when sexual harassment occurs in the school's education program or activity, against a person in the United States.
- Education program or activity includes locations, events, or circumstances over which the school exercised substantial control over both the respondent and the context in which the sexual harassment occurred, and also includes any building owned or controlled by a student organization that is officially recognized by a postsecondary institution (such as a fraternity or sorority house).
- Reports about sexual misconduct that happened off campus or in a study abroad program, or for behavior that falls out of the scope of this definition, will be handled in a separate process.

# What to do if a student comes to you:

If you are supervising students/student employees, or you are the instructor of record, you are considered a **Mandated** Reporter. You must let the person reporting to you know that you will have to report to the Title IX Coordinator or a Deputy Coordinator.

- **Mandated Reporter**: An employee of the University who is obligated by policy to share knowledge, notice and/or reports of sex discrimination, sexual misconduct, and/or retaliation on behalf of the University
- A student can discuss confidentially with a **Confidential Resource** (Counseling Services or the Women's Center)
- Ask if s/he is safe; does s/he need immediate medical or mental health care?
- **Listen**
- Provide her or him with information on resources for assistance
