

## UNO FOCUS:

Summer Industry Engagement Opportunity  
UNO Division of Professional & Continuing Education (PACE)

The Division of Professional and Continuing Education (PaCE) is piloting a Summer Industry Engagement Opportunity for UNO faculty. This is intended to be an immersive 2-4-week experience to develop one-on-one relationships with industry hosts and uncover future opportunities for collaboration between the company and UNO. PaCE and the Office of Experiential Learning and Community Engagement (ELCE) will facilitate the process of matching companies with prospective faculty members, and in collaboration with the company will steward project development, definition, and execution.

Invitations will be sent to UNO faculty in March to express interest and complete the application process. Companies will agree to host faculty members in April-May. The externships will commence in June-August.
