

# Creating Turnitin Assignments Step by Step Instructions

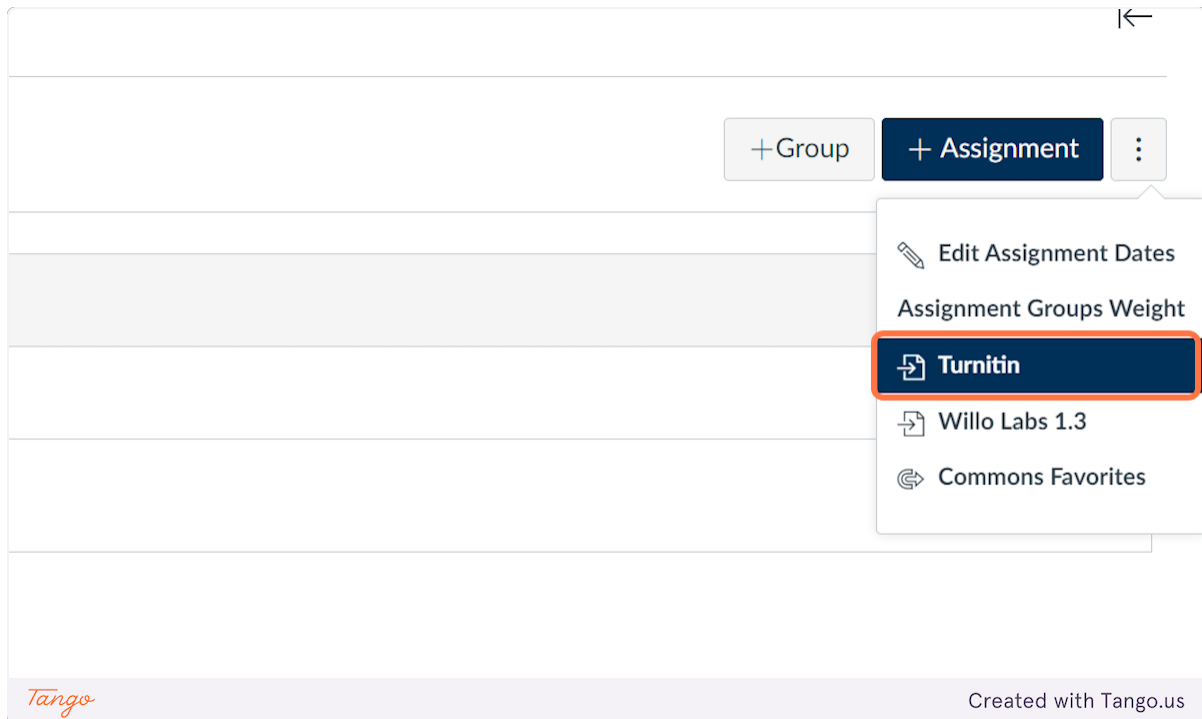

## 1. In the left Course Navigation menu, click on Assignments

## 2. Click on Assignments Settings (three dots next to +Assignment)

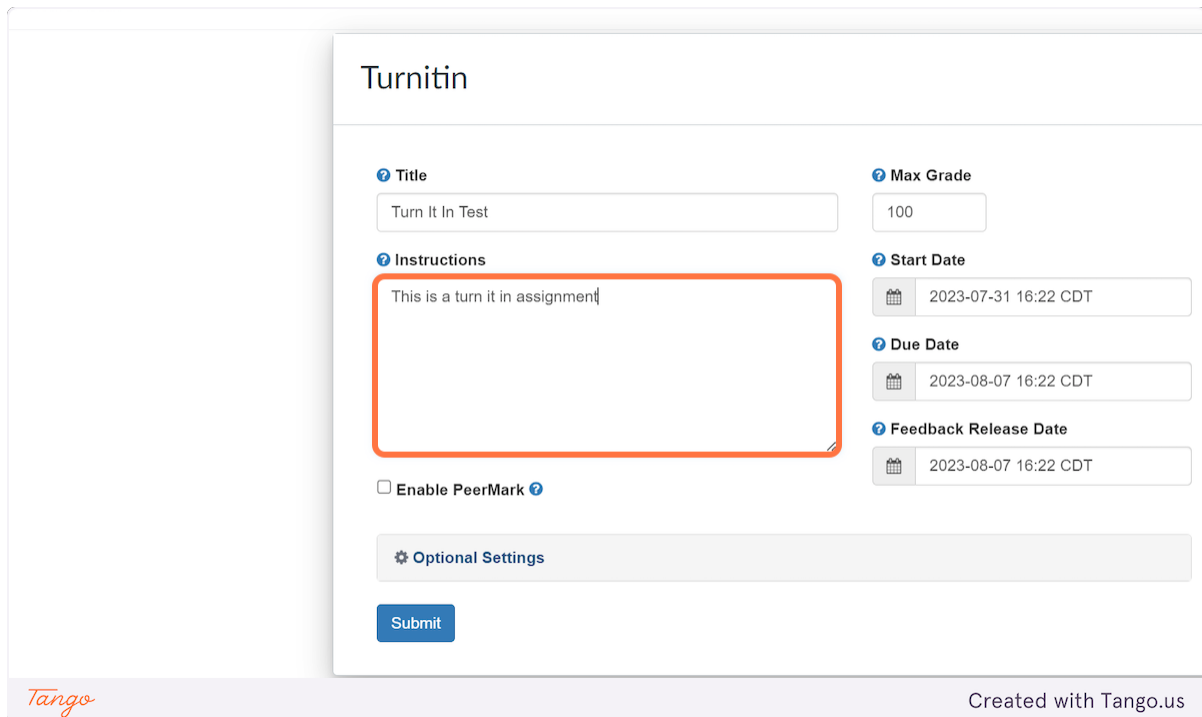

### 3. Click on Turnitin

The screenshot shows a course management interface with a top navigation bar containing a back arrow, a '+ Group' button, a '+ Assignment' button, and a three-dot menu icon. The dropdown menu is open, displaying the following options: 'Edit Assignment Dates', 'Assignment Groups Weight', 'Turnitin' (highlighted with an orange border), 'Willo Labs 1.3', and 'Commons Favorites'. The bottom of the interface features the 'Tango' logo on the left and 'Created with Tango.us' on the right.

### 4. Add your title and instructions

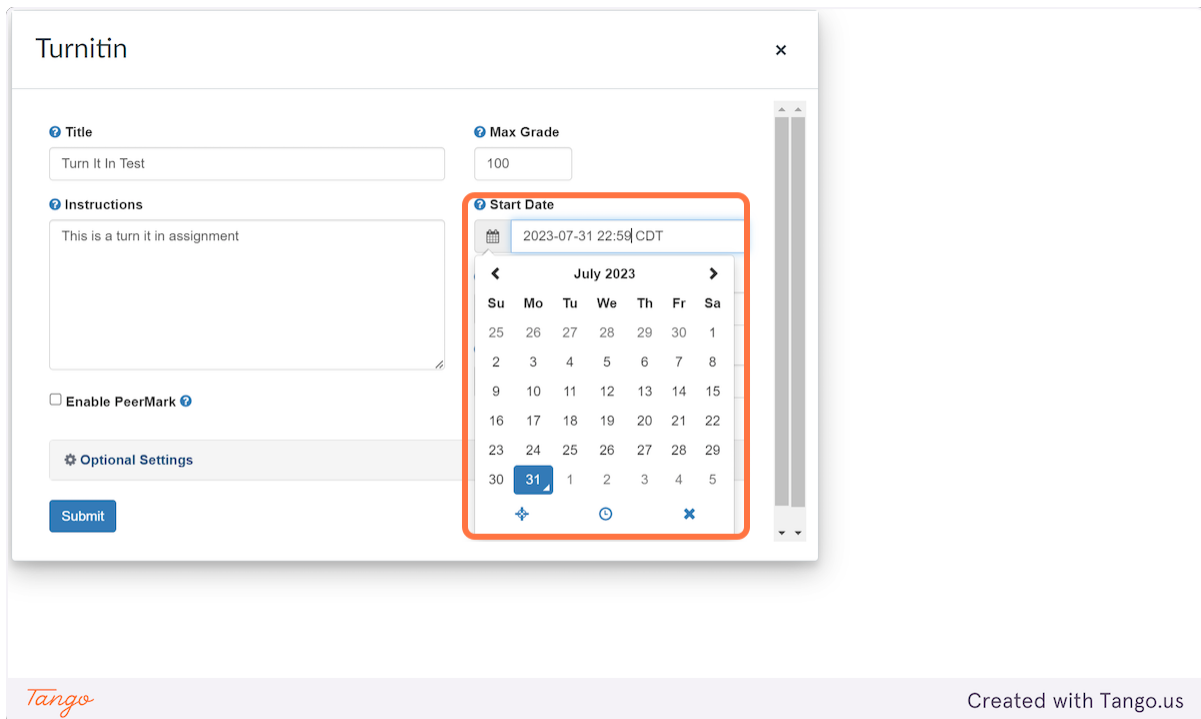

The screenshot displays the 'Turnitin' configuration form. The form includes the following fields and options:

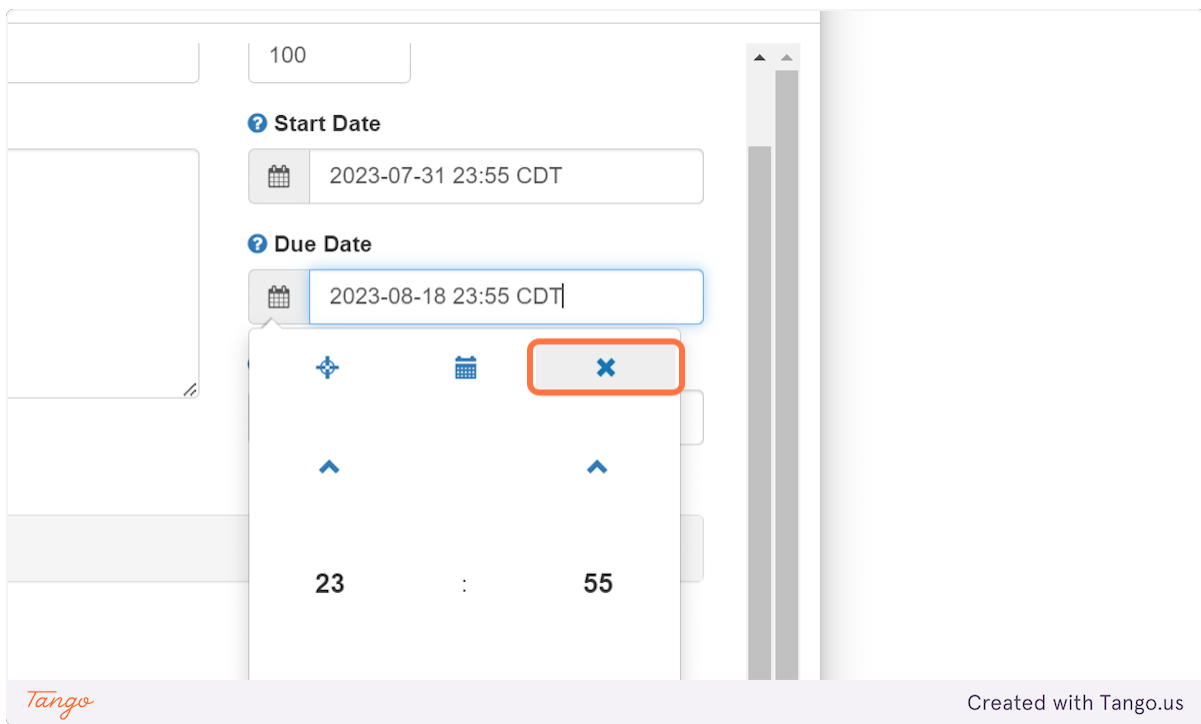

- Title:** Turn It In Test
- Max Grade:** 100
- Instructions:** This is a turn it in assignment (highlighted with an orange border)
- Start Date:** 2023-07-31 16:22 CDT
- Due Date:** 2023-08-07 16:22 CDT
- Feedback Release Date:** 2023-08-07 16:22 CDT
- Enable PeerMark**
- Optional Settings** (collapse button)
- Submit** button

The bottom of the interface features the 'Tango' logo on the left and 'Created with Tango.us' on the right.

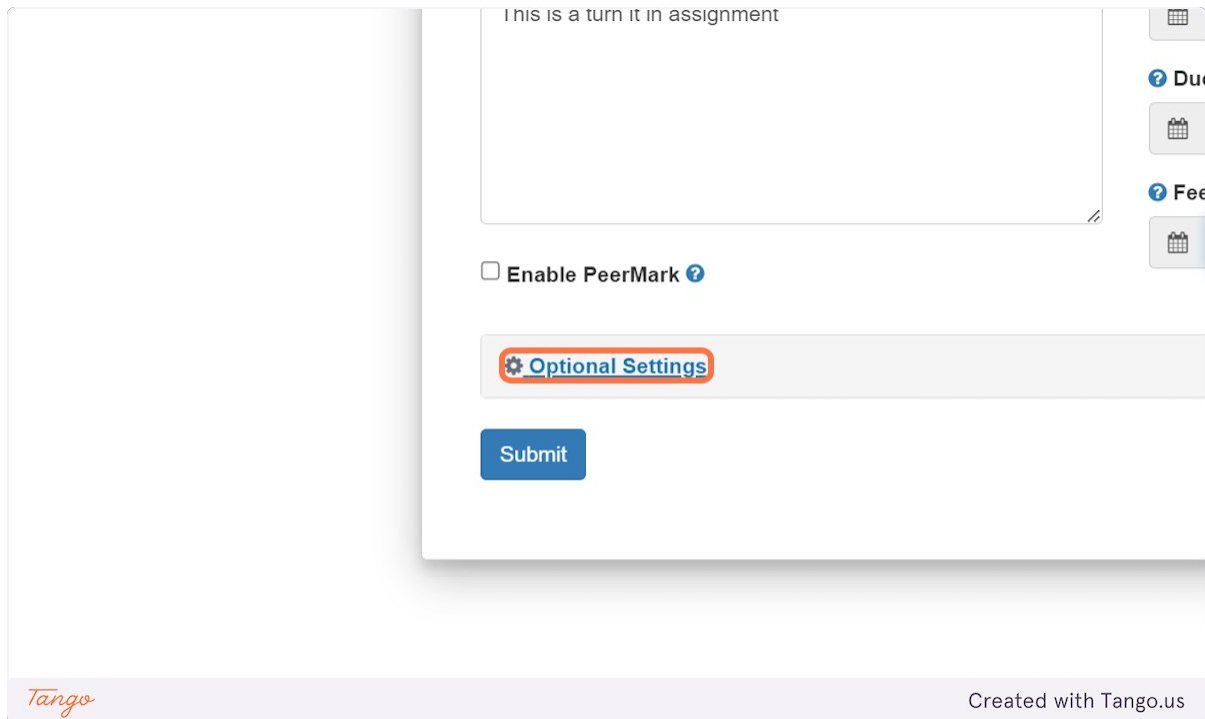

**5. Use the date and time pickers to set your Start Date, Due Date, and Feedback release date.**

**6. Click the X in the picker to save your date and time.**

## 7. Click on Optional Settings

This is a turn it in assignment

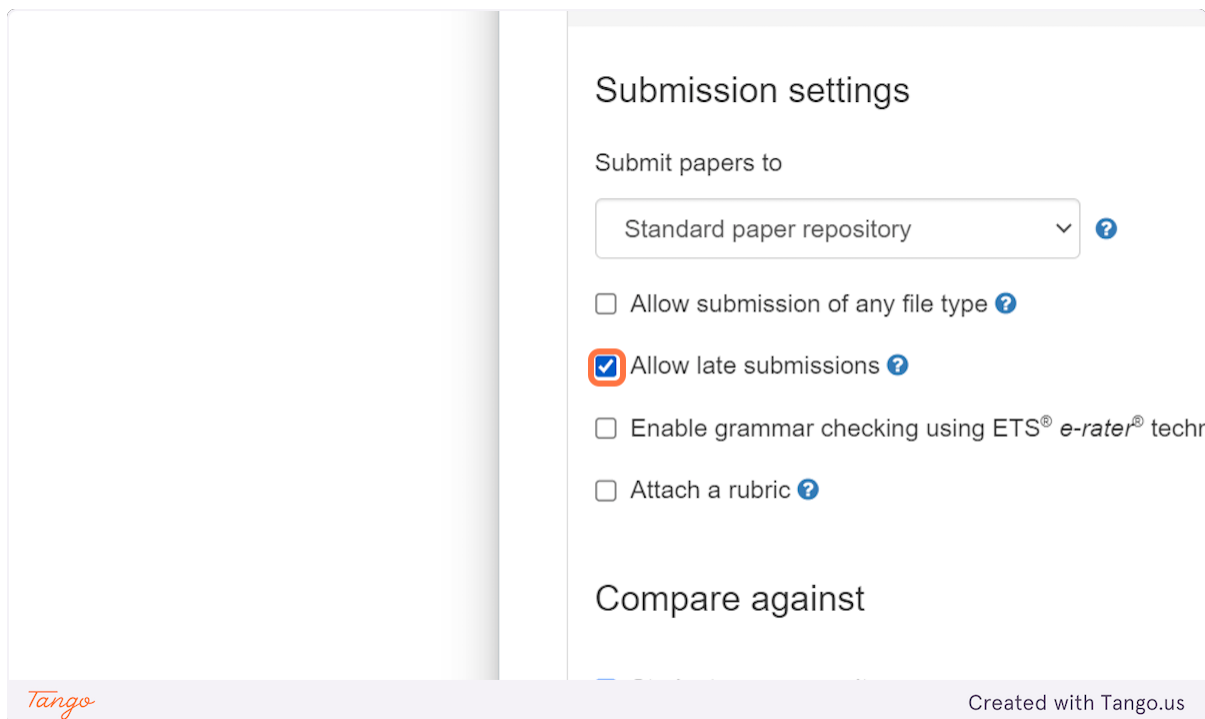

Enable PeerMark ?

**Optional Settings**

Submit

*Tango* Created with Tango.us

## 8. If you want to allow submissions after the due date, check Allow late submissions

### Submission settings

Submit papers to

Standard paper repository ?

Allow submission of any file type ?

Allow late submissions ?

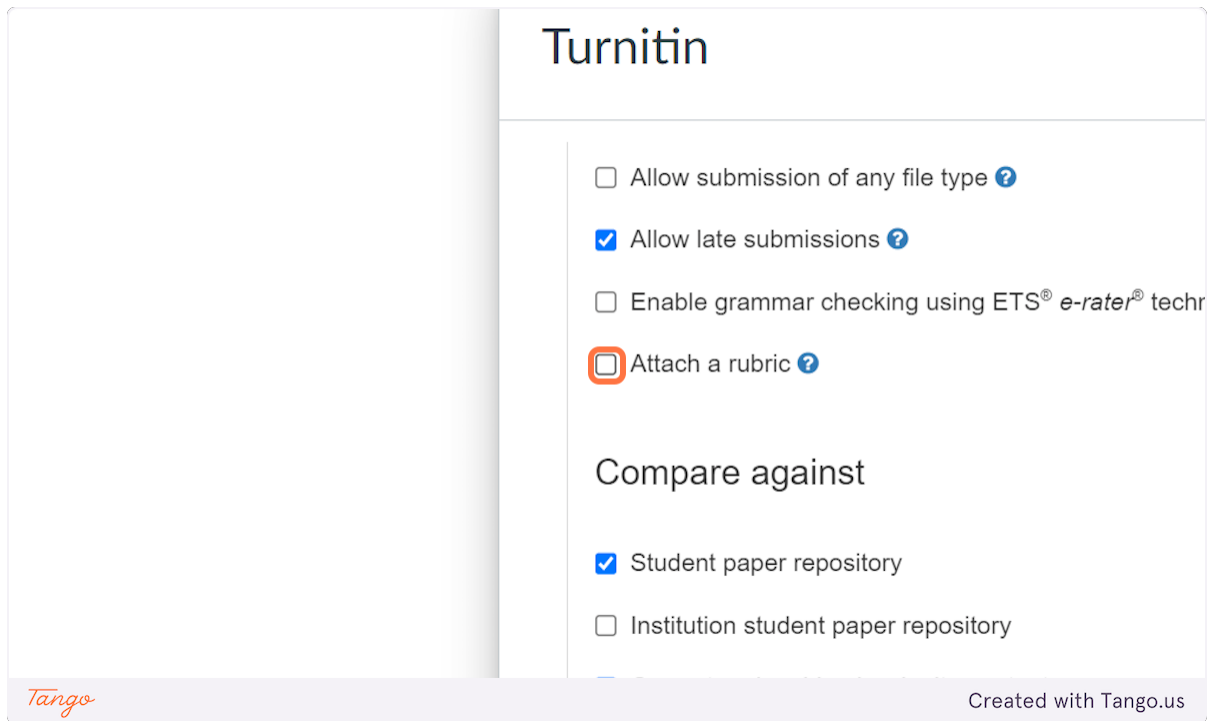

Enable grammar checking using ETS® e-rate® techn

Attach a rubric ?

### Compare against

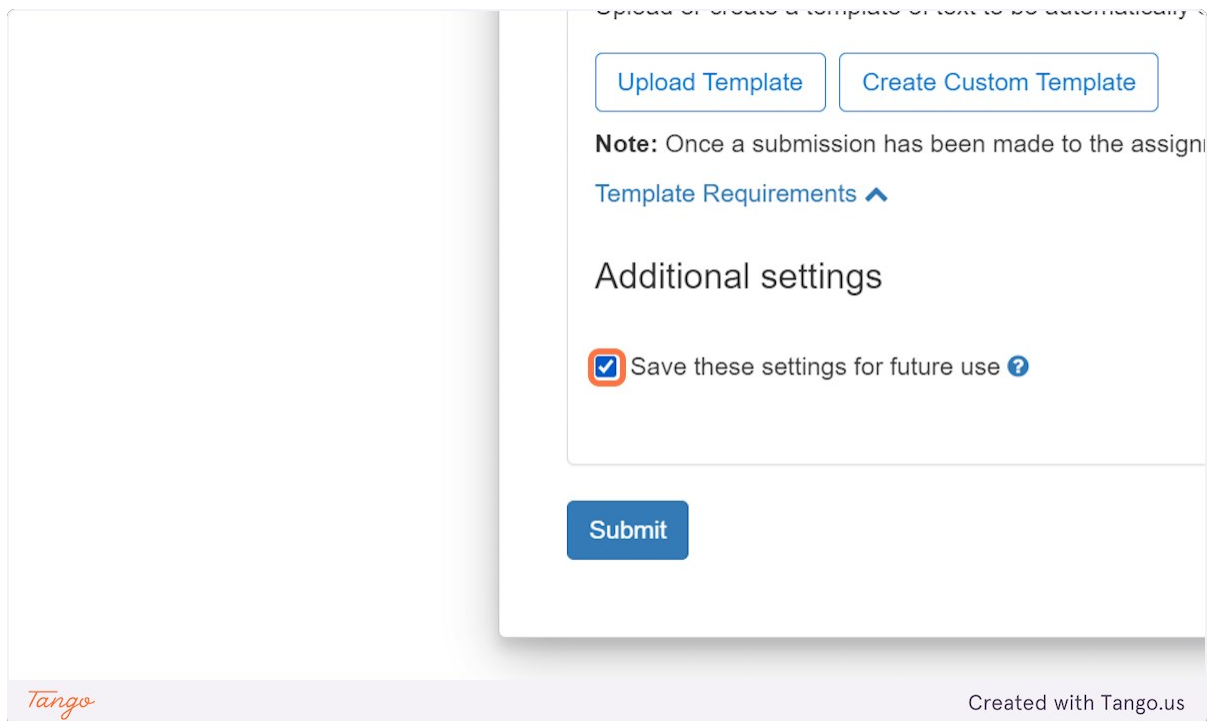

*Tango* Created with Tango.us

**9. If you want to attach a Turnitin rubric, click Attach a rubric**

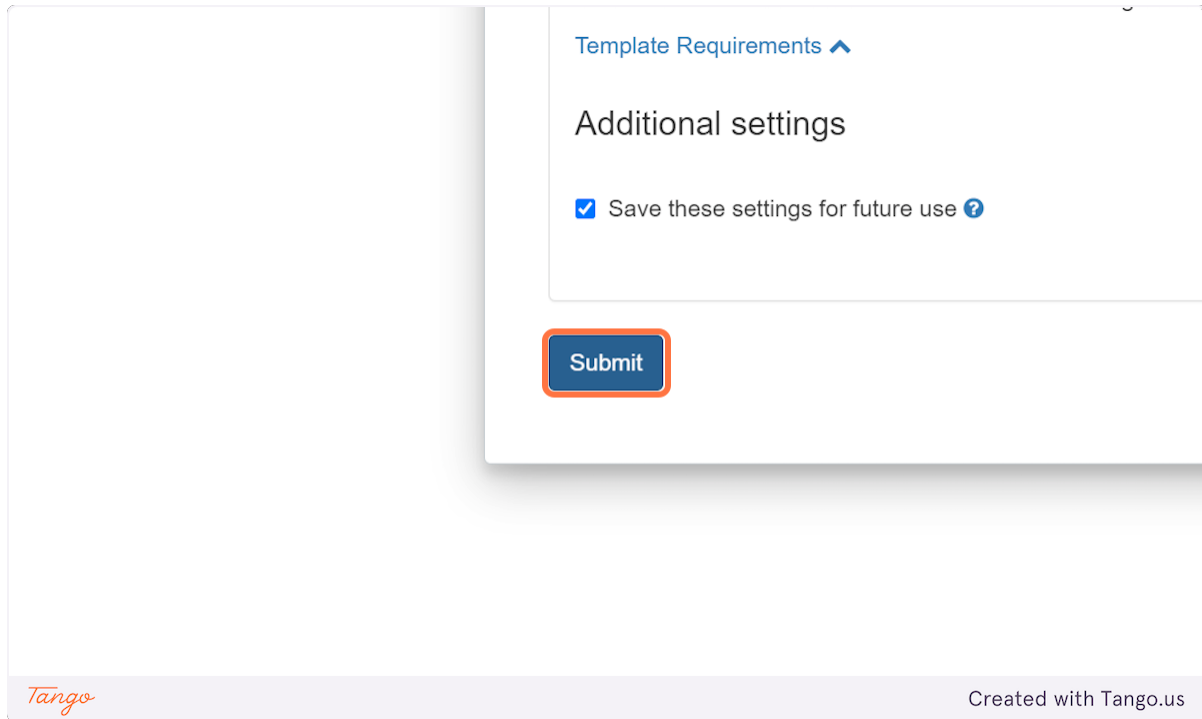

The screenshot shows a 'Turnitin' settings panel. It contains several checkboxes: 'Allow submission of any file type' (unchecked), 'Allow late submissions' (checked), 'Enable grammar checking using ETS® e-rater® technology' (unchecked), and 'Attach a rubric' (checked). Below these is a section titled 'Compare against' with 'Student paper repository' (checked) and 'Institution student paper repository' (unchecked). The interface includes a 'Tango' logo in the bottom left and 'Created with Tango.us' in the bottom right.

**10. To save yourself time in the future, check Save these settings for future use**

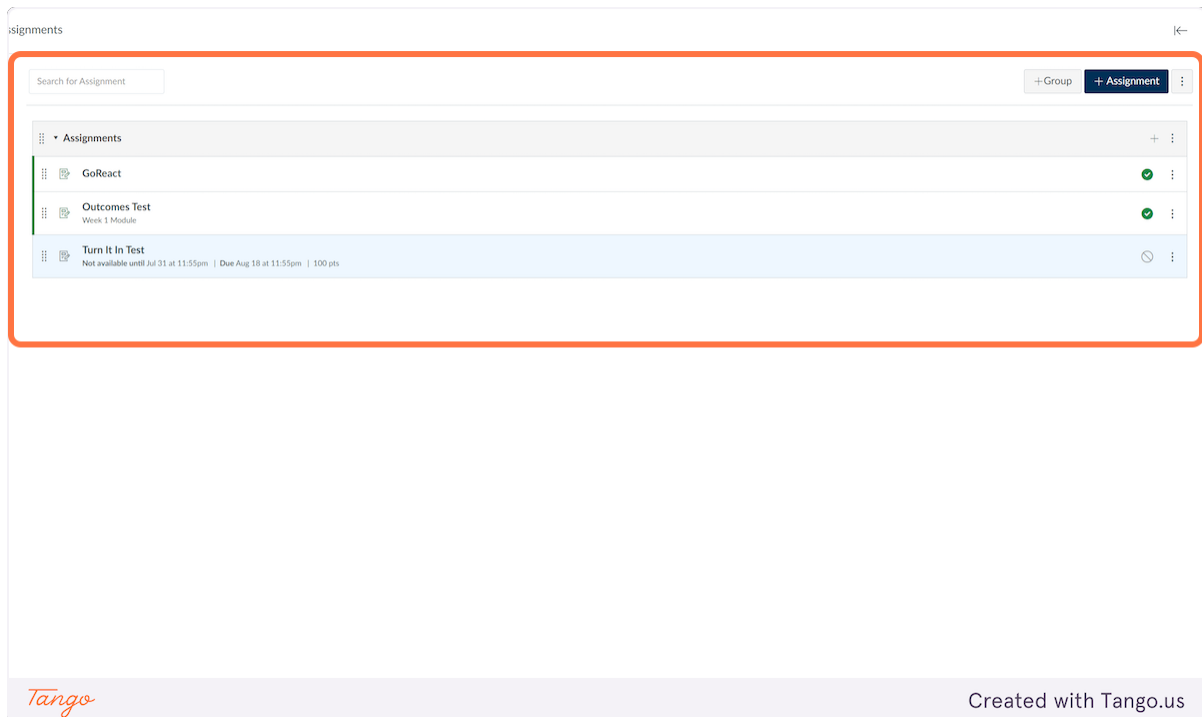

The screenshot shows a 'Turnitin' settings panel with two buttons: 'Upload Template' and 'Create Custom Template'. Below the buttons is a 'Note: Once a submission has been made to the assignment, you cannot edit the template.' followed by a link 'Template Requirements ^'. Under the heading 'Additional settings', the checkbox 'Save these settings for future use' is checked. A 'Submit' button is located at the bottom of the panel. The interface includes a 'Tango' logo in the bottom left and 'Created with Tango.us' in the bottom right.

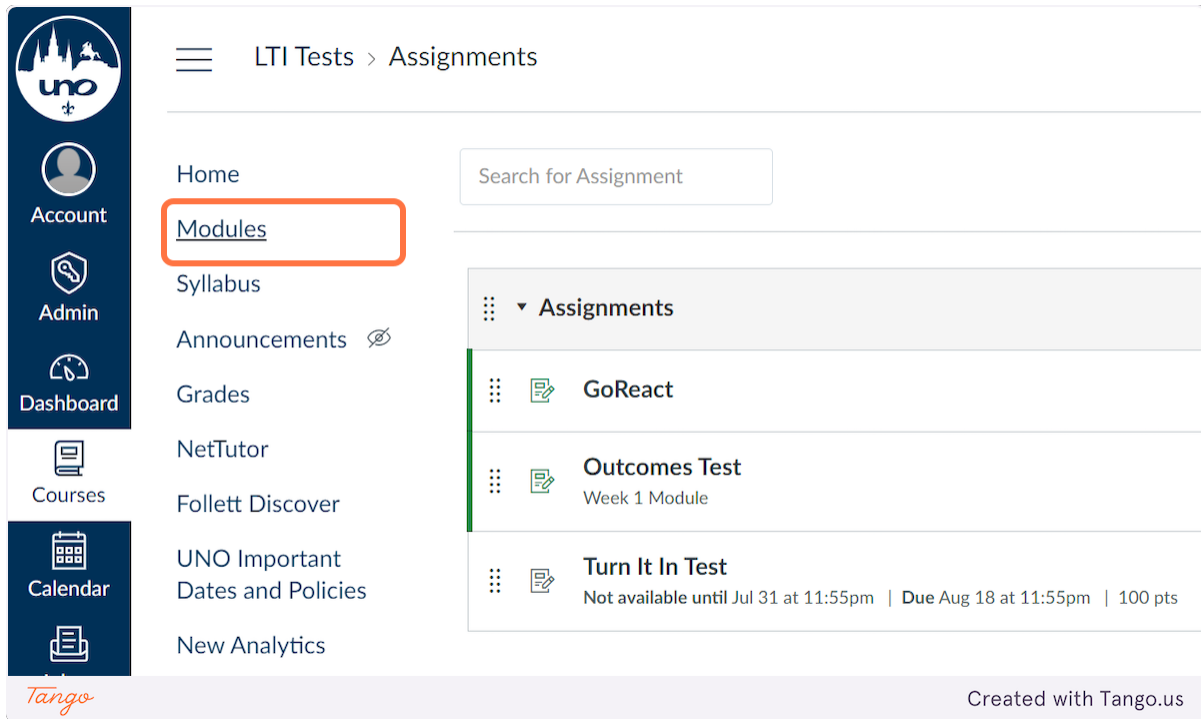

## 11. Click on Submit

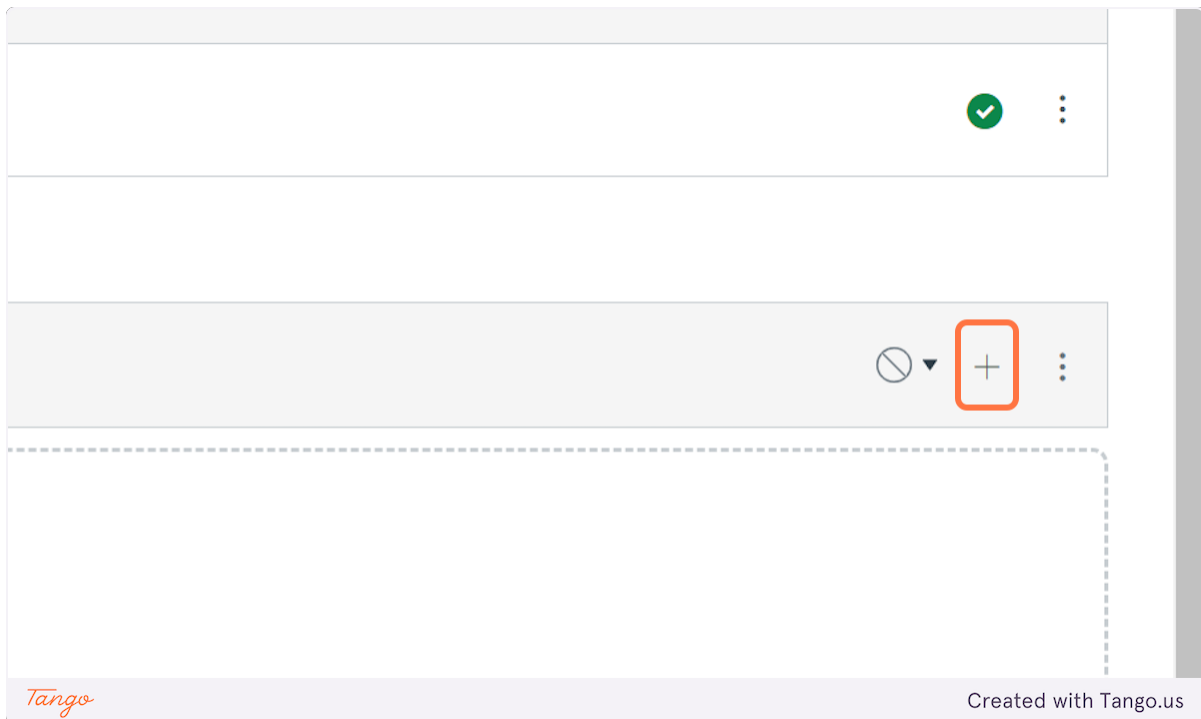

## 12. Your Turnitin Assignment will appear in Assignments, but is not yet added to your Module

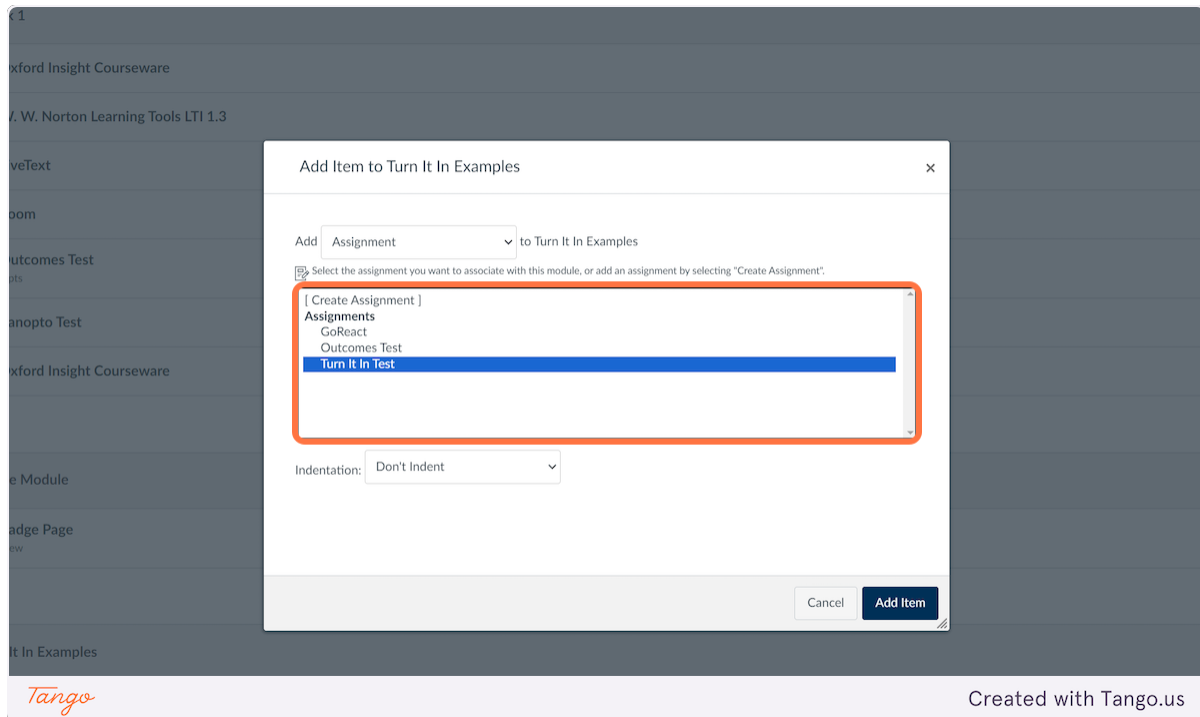

### 13. Click on Modules

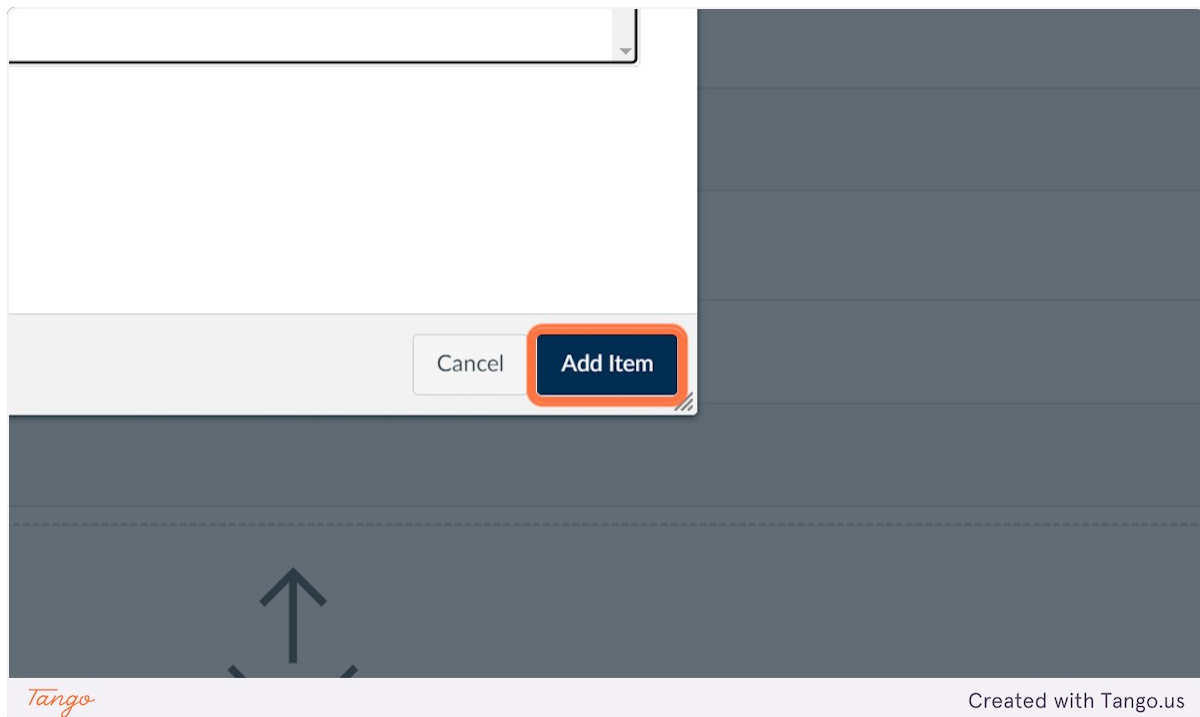

### 14. Click on Add Content (the plus sign) in in the module where you want your assignment to show up for your students

## 15. Find your Turnitin Assignment in the Assignments list. Click on it.

## 16. Click on Add Item

**17. Your Turnitin assignment is now added to your Canvas course and in the correct Module.**
