You may have the option of paying a stipend without a separate tuition remission. See the Graduate School website [Link](#) for salary ranges with and without tuition.

Graduate assistants must be enrolled full-time in the semester during which they are hired as GAs. Full-time is 9 hours for fall and spring. GAs do not have to be enrolled in the summer, but tuition will not be waived.

Graduate students hired as academic GAs may be hired as student workers or graduate assistants in the summer.
