About the Speaker: Ms. LeBas is a Senior Vice President of GEC. She is a professional civil engineer with 38 years in public and private service. 31 years was at the Louisiana Department of Transportation and Development (LADOTD) as well as the Louisiana State Division of Administration, Facility Planning and Control.

Ms. LeBas served for six years on former Governor Jindal's cabinet as the Secretary of the LADOTD for 6 years from 2010 to 2016. Ms. LeBas's responsibilities included the administration of the Department's operation and capital programs and emergency response for the State's multimodal transportation infrastructure which included an annual budget of \$1.7 billion and over 4,200 employees.

Ms. LeBas brought her enthusiasm for continuing to improve communities and peoples' lives through infrastructure to GEC in May of 2016. She is serving in the role of Assistant Project Manager on the COREX10 team for the LADOTD project to widen I-10 and review of the QA/QC process for the design of the College Drive Flyover project.

Ms. LeBas was inducted into the Louisiana State University (LSU) College of Engineering Hall of Distinction in 2018, the LSU Civil and Environmental Hall of Distinction in 2010 and served as President of the Southern Association of State Highway and Transportation Officials from 2013-2014. Ms. LeBas has received numerous awards during her career. Ms. LeBas is currently serving as the Secretary/Treasurer for the American Council of Engineering Companies Louisiana (ACECL), on the LSU Civil and Engineering External Advisory Board, and is a member of ASCE, LES and WTS. She is married to Bill Firnberg and together they have 4 sons, a daughter in law and grandchildren William & Emily.
