Executive Committee Reports

President: Edgar Avila Jr Thanks for support, I appreciate everyone who comes and participates, as well as those who send in their thoughts and concerns. It's what makes uno a great place to work so thank you!

Vice President: Debby Charrier – Staff Council on Strategic plan: we were on 3 of the 5 task forces, we are going to make a recommendation for the plan. We're asking everyone to review it, and please send any concerns or suggestions and we can make note of them on our recommendation.

Recording Secretary: Coleen Maidlow – Faculty senate Updates: The last two faculty senate meetings focused primarily on the budget cuts. Faculty teaching this summer took a reduced teaching stipend to help with cash flow for the summer. There was discussion about how to mitigate damage to our mission in the face of more budget cuts.

Dr. Andrea Mosterman is the new Faculty Senate president. She wanted committees to be meeting over the summer so senate could be up and running starting in August. An emergency meeting was called to populate these committees and to discuss the closure of buildings.

Corresponding Secretary: Julie Landry – Website is up to date. I also wanted to thank everyone, as I will need to step down from staff council next year.

Treasurer: Maggie Sunseri – No Reports
