

## ARTS, HUMANITIES, and INTERNATIONAL

Increasing Participation of Persons with Disabilities in Gabon's Democratic and Educational Systems  
State

Notice seeking proposals to encourage inclusivity in Gabonese society, improve the participation of marginalized communities in the electoral process, and promote open dialogue between governmental actors and persons with disabilities.

Proposals are due August 1, 2024. An estimated \$300,000 is available to fund three to six awards.

---

Summer Stipends  
National Endowment for the Humanities

Notice seeking proposals to stimulate new research and publication in the humanities with continuous, full-time work on a humanities project for a period of two consecutive months in the summer.

Proposals are due September 18, 2024. An estimated \$800,000 is available to fund approximately 100 awards.

---

Young Pacific Leaders - Academy for Women Entrepreneurs  
State

Notice seeking proposals to provide women with the knowledge, networks and access to launch or scale successful businesses.

Proposals are due July 31, 2024. An estimated \$250,000 is available to fund multiple awards.

LINKS: [Grants.gov](#); [Agency Site](#); [Solicitation](#)

---

## EDUCATION and ECONOMIC & COMMUNITY DEVELOPMENT

Eviction Protection Grant Program  
U.S. Department of Housing and Urban Development

Notice seeking proposals to provide no cost legal assistance to low-income tenants at risk or subject to eviction.

Proposals are due August 20, 2024. An estimated \$40 million is available to fund up to 25 awards.

LINKS: [Grants.gov](#); [Agency Site](#)

---

BJA FY24 Field Initiated: Encouraging Innovation  
Justice

Notice seeking proposals to support new and innovative strategies for preventing and reducing crime, improving community safety, and strengthening criminal justice system outcomes. BJA seeks to accomplish this by promoting collaborations with the field to identify, define, and respond to emerging or chronic crime problems or justice system challenges.

Proposals are due August 9, 2024. An estimated \$10.5 million is available to fund up to 11 awards.

LINKS: [Grants.gov](#); [Solicitation](#)

---

From Seedlings to Scale, Assistance Listing Number (ALN) 84.3051  
Education

Notice seeking proposals to invest in innovative products, policies, and processes within an identified focus area through three phases of increasing funding and time duration to support ideas as they grow from seedlings to scalable solutions.

Proposals are due August 15, 2024. Multiple awards are anticipated.

## HEALTH and MENTAL HEALTH

Mechanisms of Reciprocal Interactions between HIV Associated Neuroinflammation and CNS Persistence: Implications in HIV Neuropathogenesis and Cure (R01 R21 Clinical Trial Not Allowed)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals to examine mechanisms of reciprocal interactions between HIV-associated neuroinflammation and CNS persistence in the setting of excellent virologic control using novel CNS cell systems, organoid models and single cell technologies. Available funding mechanisms include [R01 Research Project Grants](#) and [R21 Exploratory/Developmental Research Grants](#).

Proposals are due November 8, 2024. An estimated \$4.5 million is available to fund eight to 10 awards.

---

Nurse Education, Practice, Quality and Retention (NEPQR) - Workforce Expansion Program (WEP)  
U.S. Department of Health and Human Services, Health Resources and Services Administration

Notice seeking proposals to increase the nursing workforce in rural (non-metro) and underserved areas to address the critical shortage of nurses, specifically in acute and long-term care settings.

Proposals are due July 26, 2024. An estimated \$4.75 million is available to fund up to five awards.

LINKS: [Grants.gov](#); [Solicitation](#)

---

Pilot Research Opportunities in Crisis Response Services for Suicide Prevention (R34 Clinical Trial Optional)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals to promote pilot exploratory/developmental research examining the effectiveness and implementation of crisis response services, approaches to improve the quality and outcomes of services, and the impact of state and local policy on implementation and outcomes.

Proposals are due October 1, 2024. An estimated \$2 million is available to fund three to five awards.

LINKS: [Grants.gov](#); [Solicitation](#)

---

Research Opportunities in Crisis Response Services for Suicide Prevention (R01 Clinical Trial Optional)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals for research examining the effectiveness and implementation of crisis response services, approaches to improve the quality and outcomes of services, and the impact of state and local policy on implementation and outcomes.

Proposals are due October 1, 2024. An estimated \$2 million is available to fund three to five awards.

LINKS: [Grants.gov](#); [Solicitation](#)

---

Summer Research Education Experience Program (R25 Clinical Trial Not Allowed)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals for research education activities in the mission areas of the NIH that foster a better understanding of biomedical, behavioral and clinical research and its implications.

Proposals are due March 18, 2025. Multiple awards with a per-year ceiling of \$125,000 are anticipated.

LINKS: [Grants.gov](#); [Solicitation](#)

---

DoD Peer Reviewed Cancer, Advancing Cancer Care Through Clinical Trials Award  
Defense

Notice seeking proposals to support the rapid implementation of clinical trials with the potential to have a significant impact on the treatment or management of cancer within at least one of the FY24 PRCRP Topic Areas. Clinical trials may be designed to evaluate promising new products, pharmacologic agents (drugs or biologics), devices, clinical guidance, and/or emerging approaches and technologies.

Preproposals are due July 24, 2024. An estimated \$24 million is available to fund up to five awards.

---

Enhancing Mechanistic Research on Precision Probiotic Therapies (R33 Clinical Trial Optional)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals to identify, understand, and develop strategies to address barriers in precision probiotic interventions' development to account for human heterogeneity resulting in inconsistent responses to probiotic treatments. Specifically, this NOFO solicits R33 applications that will assess the causality of person-specific features or patterns affecting probiotic responses and identify subgroups of probiotic responders in order to enhance therapeutic outcomes.

Proposals are due October 1, 2024. Multiple awards are anticipated.

LINKS: [Grants.gov](#); [Solicitation](#)

---

Enhancing Mechanistic Research on Precision Probiotic Therapies (R61-R33 Clinical Trial Optional)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals to support highly innovative mechanistic research to accelerate the development of effective precision probiotic interventions using a milestone-driven, biphasic award mechanism. It aims to identify, understand, and develop strategies to address barriers in precision probiotic interventions to account for the heterogeneity in humans that often causes inconsistent probiotic therapeutic responses.

Proposals are due October 1, 2024. Multiple awards are anticipated.

LINKS: [Grants.gov](#); [Solicitation](#)

---

Mechanisms of Inducing HIV Immunity in Early Life (MIEL) (U01 Clinical Trial Not Allowed)  
U.S. Department of Health and Human Services, National Institutes of Health

Notice seeking proposals to support basic and applied research to define the mechanisms for establishing, developing and maintaining immunity to HIV in early life (from birth to less than 12 years of age), including the impact of prophylactic vaccination and broadly neutralizing HIV antibodies (bNAbs) to protect against acquisition of HIV infection.

Proposals are due October 9, 2024. An estimated \$3 million is available to fund multiple awards.

LINKS: [Grants.gov](#); [Solicitation](#)

## SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS

Broad-Spectrum Antagonists For Editors (B-SAFE)  
Defense

Notice seeking proposals to identify and optimize novel molecules that exhibit inhibitory effects on Clustered Regularly Interspaced Short Palindromic Repeats (CRISPR)-CRISPR associated proteins (CRISPR-Cas) gene editing processes.

Proposals are due August 12, 2024. Multiple awards are anticipated.

LINKS: [Grants.gov](#); [Contract Opportunities](#)

---

Aeronautics Committee  
National Aeronautics and Space Administration

Notice announcing a meeting of the Aeronautics Committee of the NASA Advisory Council. The purpose of the meeting is to solicit from the aeronautics community research and technical information relevant to program planning.

The meeting will be held Wednesday, June 26, 2024, 9 a.m. to 3:30 p.m., central time. The meeting will be held virtually.

LINKS: [Federal Register](#); [Agency Site](#)

---

NASA Planetary Science Advisory Committee  
National Aeronautics and Space Administration

Notice announcing a meeting of the Planetary Science Advisory Committee. The purpose of the meeting is to solicit from the scientific community scientific and technical information relevant to program planning.

The meeting will be held July 9-11, 2024 from 10 a.m. to 6 p.m. ET. The meeting will be virtual.

LINKS: [Federal Register](#)

---

Army Rapid Capabilities And Critical Technologies Office (RCCTO) Broad Agency Announcement (BAA)  
Defense

Notice seeking proposals to improve the speed of technology and capability delivery to enable the Army's implementation of the National Defense Strategy and Army Vision. It will rapidly and efficiently research,

develop, prototype, test, evaluate, procure, transition, and/or field critical enabling technologies and capabilities that address near-term and mid-term threats.

Required white papers are due any time until June 18, 2029. Multiple awards are anticipated.

LINKS: [Contract Opportunities](#)

---

FY24 Bipartisan Infrastructure Law Coastal Zone Management Habitat Protection and Restoration Competition  
Commerce

Notice seeking proposals to reduce the impacts of climate change. A key pillar is resilience to climate change and its impacts, throughout our communities and ecosystems. Specifically, this NOFO seeks projects that enhance coastal resilience. Coastal areas support the nation's largest and often fastest-growing population centers as well as key natural assets.

Required Letters of Intent are due August 15, 2024. An estimated \$44.6 million is available to fund up to 25 awards.

LINKS: [Grants.gov](#)

---

FY24 Bipartisan Infrastructure Law National Estuarine Research Reserve System Habitat Protection and Restoration Competition  
Commerce

Notice seeking proposals to reduce the impacts of climate change. A key pillar is resilience to climate change and its impacts, throughout our communities and ecosystems.

Required Letters of Intent are due August 15, 2024. An estimated \$13.5 million is available to fund up to 25 awards.

---

21st Century Energy Workforce Advisory Board  
Energy

Notice announcing a meeting of the 21st Century Energy Workforce Advisory Board. The purpose is developing a strategy for the Department of Energy (DOE) to support and develop a skilled energy workforce to meet the changing needs of the U.S. energy system.

The meeting will be held Tuesday, July 9, 2024; 12 to 12:30 p.m. EDT. The meeting will be held virtually.
