

## University Committee on Courses and Curricula – Spring 2020

### Meeting Minutes – March 9, 2020

**Present:** Sarah Berry, Nancy Easterlin, Kimberly Echols, Yvette Green, Erik Hansen, Linxiong Li, Caroline Noyes, Lindsey Reno

**Absent from the meeting:** Kazim Akyuzlu, Woohyun Cho, Kraig Derstler, Roxane Dufrene, Vesselin Jilkov

Dr. Green exercised Dr. Cho's proxy vote which allowed for quorum for voting on undergraduate proposals but not graduate proposals in person. The meeting minutes and proposals were voted upon via Moodle.

The following courses were submitted for reactivation: PHYS 1010, 1011, and 4014/5014.

Ms. Reno and Dr. Li asked if Moodle has the capacity to carryover votes from the previous meeting instead of having to revote. Ms. Berry will contact the Moodle administrators to determine the options.

Regarding the proposal for M.Ed in Higher Education Administration, Dr. Easterlin will be meeting with the department to clarify what should be included in the catalog versus the website and other marketing materials.

Ms. Echols pointed out that the Art History and Studio Art proposals were incorrect as they both indicate the same information. Ms. Berry will contact the department regarding the error. The proposals are missing the department signatures from ANTH and HIST. Additionally, the proposals include a reference to FA 1500 as the general education requirements. Ms. Berry indicated that FA 1500 is a new course that must be approved via the UCCC process, then approved by the General Education Committee to be added to the menu, and then the curriculum proposal can be reviewed and voted upon.

As part of the catalog cleanup, Dr. Green recommend a global change to correct the college name to College of Liberal Arts, Education, and Human Development.

Dr. Noyes is in discussion with Dr. Surprenant from the Honors Program regarding the appropriate language for explaining the process to achieve departmental honors.

The next meeting will be March 16, 2020 at 11AM in AD 101.
