Due to the COVID-19 virus outbreak, all remaining Spring 2020 UCCC meetings and voting will be conducted via Zoom.

Quorum was established for voting on undergraduate proposals and graduate proposals.

The meeting minutes from the April 6, 2020 meeting were approved.

FA submitted proposals to create 4 new courses. They were listed in the B.A. in Studio Art Proposal but did not exist. FA, FTA, and MUS submitted updates for previously tabled or proposals that were approved pending updates from the department.

The following changes will be made to all accelerated masters programs: 1) there be a new section of the catalog that will provide an overview of the program and the minimum qualifications, 2) each program will clearly state the respective total of credits for each undergraduate and graduate degree along with the combined total for both, 3) “electives” will be changed to “general education electives” to be consistent with the traditional undergraduate curriculums/recommended 4 year plans.

A correction will be made to the syllabus checklist which will now include the course description as a requirement.

The next meeting will be April 20, 2020 at 11AM via Zoom.
