

Instructions for Application

Beyond standard information, you will also be asked to provide information pertaining to your class standing and prior and current experiences.

These include:

GPA, your class standing (Freshman, sophomore, etc.), anticipated date of graduation. A list the science and math courses that you have taken, including those courses in which you are currently enrolled.

Prior work experience, if any; this should include the employer names, positions held, and employment dates.

If you have prior research experience, please describe that experience. Note: prior research experience is not required in order to participate in this program.

Also, you will need to write a personal statement (750 words or less) describing your background and your interest in this program. It is suggested that you compose your statement in a word processing program and copy/paste it into this form.

Beyond the application itself, you will need to have 3 letters of recommendation provided on your behalf - these may come from a teacher, counselor, administrator, or current/former employer.

Please also provide official transcripts from current educational institution - Sent directly from your institution.

Letters of recommendation and transcripts can be submitted directly to AMRI by email at amri@uno.edu or by mail. **Electronic submissions are preferred.**

Should you need to submit materials by mail, use the following address:

Attn: AMRI Summer Research Program
AMRI, Science Building Room 2048
University of New Orleans
2000 Lakeshore Drive
New Orleans, LA 70148

Deadline: 4:00pm, March 21, 2025

For additional information, contact AMRI at amri@uno.edu.
