Quorum was eventually established for undergraduate and graduate voting based on attendance and proxy votes. Rajni Soharu confirmed that proxy votes can be counted towards quorum. Prof. Hansen voted by proxy on behalf of Dr. Green. Janet Crane voted by proxy on behalf of Dr. Janz. Dr. Atkinson voted by proxy on behalf of Dr. Writing.

Sarah Berry informed the committee

Amanda Athey recommended tabling a vote on the MFA in Creative Writing. She believes that approval by SACS is required since the department is requesting an online version of the program to be created. She also recommended that a larger discussion be held regarding graduate courses that list undergraduate courses as prerequisites. This is a problem across all colleges and is not considered a best practice.
