

Teachers Teaching Teachers!

The 41st Invitational Greater New Orleans Writing
Project Summer Institute

Writing, Collaborating, Connecting **Using Writing to Strengthen Student Learning** **June 17 - June 25, 2019**

Join fellow colleagues to learn and develop effective strategies in the teaching of writing and the incorporating of writing across your curriculum.

Greater
New Orleans
Writing
Project

www.uno.edu/gnowp

DEVELOP:

- Writing strategies that fit your student population
- “Just Right” entry points for your curriculum planning and instruction
- Connections with a group of supportive and encouraging educators and writers
- Strategies to deliver effective writing instruction to all students (including those with exceptionalities, and exceptional learners)

EARN:

6 hours of graduate credit in ENGL 6151 or ED 6020 and 120 hours of CLU’s upon completion.

Schools can use Title II Teacher Professional Development Funds for their teachers to attend the GNOWP Summer Institute
