

GENERAL EDUCATION COURSE MENU

The general education core curriculum at the University of New Orleans is a set of course requirements designed to expose students to a wide range of academic disciplines. Through general education, students learn basic content and methodology of fundamental knowledge areas. This broad educational experience is intended to encourage intellectual inquiry and provide a solid foundation for all undergraduate students. The courses included on this menu may be used to satisfy general education requirements. Learn more about general education at <http://www.uno.edu/general-education/index.aspx>.
