Notes on Vote Measures:

1) Please see attachment to learn more about the Honors Faculty Recognition

2) A motion to base Honor's distinction at Graduation will be voted on. The Registrar's office has requested we change this GPA calculation to be in line with other degree distinctions that are based exclusively on the UNO GPA. At this time, this is one of the few measures that is based on a cumulative GPA, including grades acquired outside UNO. Academic Procedures and Standards sees no great concerns in this regard.

Note: To graduate with a degree from UNO, 50% of major must be at UNO and 60 hours must be earned at the campus for honors. Most universities use only institutional GPA.
