Notes: Please be advised student must complete Science major courses for their Science course requirements to receive the B.S. Psychology degree at the University of New Orleans. Students should not exceed 60 credit hours. ONLY 60 credit hours maximum allowed for transfer to UNO from a community college. Please seek advising for detailed information concerning the requirements to complete AALT-SOCIAL SCIENCES. www.dcc.edu/transfer-degree

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
